|                          | <b>QUERIES RAISED BY AR THERMOSETS</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 1                        | <p><b>Clause 3.2 (C): -</b><br/> A: Executed in any one year, the following minimum quantities of work:<br/> i) Microsurfacing (Type II/ Type III) - 126075.00 SQM<br/> ii) Bituminous Concrete - 1167 cum<br/> iii) Thermoplastic Marking - 4315 SQM<br/> iv) Painting to Concrete Surface - 33868 SQM</p> <p><b>Queries: -</b><br/> <b>A typical</b> micro surfacing Contractor does work specifically to the improvement of pavement condition and is likely to have micro surfacing (Type II/ Type III), Bituminous Concrete &amp; Thermoplastic Marking. However, painting to concrete surface may not be available as it is not directly pavement related.<br/> We Kindly request you to exempt bid participants from Minimum qualification criteria/quantity for painting to concrete surface to allow greater participation.</p> | <p>The quantity of "Painting to concrete surface" has been considered as per Government order NO.PWD/630/CRM/2014 Dt: 17.11.2014 as the amount exceeds 15% of total estimate amount. However, as per the request of contractor M/s AR THERMOSETS, clause 3.2c shall be read as Below.</p> <p>A: Executed in any one year, the following minimum quantities of work:<br/> i) Microsurfacing (Type II/ Type III) - 126075.00 SQM<br/> ii) Bituminous Concrete - 1167 cum<br/> iii) Thermoplastic Marking - 4315 SQM</p> |

2 **Clause 3.3 (a): -**

Availability by owning at least 50% of the required / specified key and critical equipment for this work and the remaining 50% can be deployed on lease / hire basis for all works provided the relevant documents (commitment agreements etc.) for availability for this work are furnished: -

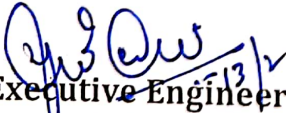

- i) Micro surfacing machine with paver finishing - 1 No - Owned
- ii) Milling machine - 1 No-Lease / Hire
- iii) Tipper 2 Nos - Owned
- iv) Vibratory Roller - 2 Nos - 1 No Owned, 1 No lease/hire
- v) Lane Marking Machine - 2 Nos - Lease / Hire

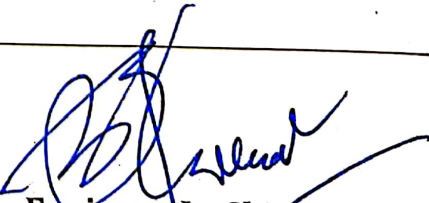

As a contractor for asphaltting works we typically invest in core assets such as Micro surfacing Paver, Hot Mix Pavers, Vibratory Roller to name a few. Tippers are typically considered non-core assets and are widely available in all reaches of the country. We had successfully executed over 1,00,000. (One Lakhs) MT of hot mix over the country without owning a single tipper.

We therefore kindly request you to allow hire of Tippers and leave it upto the contractor to furnish the 50% required / specified key and critical equipment as per his availability on the balance equipment with mandatory ownership of microsurfacing machine with paver finisher.

We request you to clarify that each item minimum quantity may be achieve in any of the preceding last five years independently.

The Tender condition of having Tipper - 2Nos owned is modified as Tipper - 2 Nos on Lease basis.
